

Singapore Airlines down-under and beyond **Visit Australia Air Pass** offers endless opportunities to visit down under and beyond.

Connect seamlessly to major Australian hubs with Singapore Airlines and extend the adventure with Virgin Australia.

With more than 30 destinations in Australia, it is the journey of a lifetime for your guests.

Come fly with us! Let us take you there.

Easy to book

Book a Singapore Airlines flight from Europe to Australia through the GDS.

The GDS will then automatically pick up the Visit Australia Airpass and calculate the price in a single booking.

The fare basis of the Visit Australia Pass fares is *-43OVADJ for the Australia domestic sectors, where* is related to the booking RBD.

To book the Visit Australia Pass please select B/M/W/N/K RBDs on Singapore Airlines code share flight numbers in combination with any RBD on Singapore Airlines flights.

Virgin Australia operated sectors need to be booked in conjunction with Singapore Airlines long-haul flights and issued in one single booking.

Visit Australia Pass can be combined with Singapore Airlines international flights in Economy, Business and First Class.

Singapore Airlines TTLs can be aligned with Virgin Australia Interline flights.

The Visit Australia Pass product offers unlimited stopovers and is valid for sale outside Australia /New Zealand.
