What makes TR special? As a subsidiary of Singapore Airlines Group, Scoot operates as a low-cost carrier.

This partnership allows you to enjoy greater flexibility in travel dates, access more destinations across Asia-Pacific, and benefit from smoother transfers all while maintaining the reliability and service standards you expect from Singapore Airlines.

When you combine Singapore Airlines (SQ) and Scoot (TR) flights, you unlock a world of possibilities with seamless connections and expanded destination options from Copenhagen.

Please read more about Scoot in our SQTR Brochure and find answers to frequently asked questions [here](#).
