*Schedule is valid until 29 Oct 22. Subject to seasonal changes and regulatory approval.

A350 ULR Business Class

When it comes to space, the A350's extra wide body is a superb match for our Business Class seats. At 28 inches wide, your seat becomes a personal sanctuary where you can lounge in your favorite positions. Large windows and a high ceiling also mean you open up to a bigger sense of space while enjoying the familiar comforts of home.

An elevated travel experience awaits with the world's most awarded airline. From meaningful digital innovations to integration of robust health and safety measures at all touch-points, you can travel with confidence and peace of mind.
