

SALES UPDATE

Dear Trade Partner,

As a result of rapidly increasing fuel prices, SIA is implementing an increase in fares on all ODs and all RBDs, effective April 4th, 2022. We will continue to review market conditions and may make further pricing adjustments to ensure that our fares remain competitive. We trust that you can appreciate our position, and would like to thank you in advance for your continued support.

Kindly inform your staff and customers accordingly.

Thank you
